**** Bank Manager is a licensed product and cannot be accessed on a product suite that is not active on Cover. Cover cannot be purchased separately. The activation of the Bank Manager product is subject to the customer completing the Annual License Fee Registration Form.

Section 2 – Additions and Upgrades to other products in the range

Customers on current versions of the Xpress software may add users or modules by paying the relevant new user or new module prices above

Customers on older versions will need to take out a cover contract for the existing suite and then order their additions.

The same procedure applies for upgrades to Partner
